

WE WANT

# EXILES YOUTH

TO BE A SAFE SPACE WHERE WE WAIT, WALK AND WITNESS FOR CHRIST.  
THIS MEANS THAT WE NEED TO  
RESPECT PEOPLE, PROGRAM AND PROPERTY.

## Respect People

Follow leaders' directions.  
Be encouraging and kind in your speech.  
Listen when others are speaking.  
Maintain personal bubbles.

## Respect Program

Be in the right space at the right time.  
Join in - the more you put in the more you and others will get out.

## Respect Property

Leave things as you found them.

If you aren't being respectful, then:  
You'll get 2 warnings.

You'll sit out or with Pastor Alan.

Pastor Alan will talk with your parents if you need to sit out twice.

Pastor Brian will decide whether you can be trusted to keep Exiles a safe space if there are further issues.
